

The DIPG Collaborative
10280 Chester Road,
Cincinnati, Ohio 45215
USA

Dear DIPG collaborative,

I acknowledge that the grant with USD\$143,884 from DIPG Collaborative has been received for the project "Radiosensitisation of diffuse intrinsic pontine glioma by modulating glucose metabolism". The funded project has been approved by IRB of Children's Cancer Institute and it will begin within 6 months of the award date. The results and progress of this funded project will be used in a collaborative manner with other institutions that can further the progress of DIPG research, inclusive of involvement by other participating institutions in the DIPG Collaborative.

I confirm that in all future publications, published data, presentations, web pages, blogs or other references to the grant and supporters, The Cure Starts Now Foundation Australia, Cure Brain Cancer Foundation, The Cure Starts Now, The Chad Tough Foundation, Julian Boivin Courage for Cures Foundation, Michael Mosier Defeat DIPG Foundation, Reflections of Grace Foundation, Soar With Grace Foundation, Hope for Caroline Foundation, Pray-Hope-Believe Foundation, Musella Foundation, Smashing Walnuts Foundation, Brooke Healey Foundation, Operation Grace White Foundation, Jeffrey Thomas Hayden Foundation, The Ellie Kavalieros DIPG Research Fund, Lauren's Fight for the Cure Foundation, Aiden's Avengers Foundation, Love Chloe Foundation, Benny's World Foundation, Ryan's Hope, Lily Larue Foundation, Smiles for Sophie Foundation, American Childhood Cancer Organization, Sheila Jones & Friends and associate members of The DIPG Collaborative are named as sponsors of the protocol.

Kind regards,

Dr Han Shen
Research Officer
Level 1, Children's Cancer Institute,
Lowy Cancer Research Centre, UNSW,
